

As of January 1, 2016, we will no longer add additional visa pages to your U.S. passport due to a rule change by Consular Affairs. Instead, all new passports will have 52 pages. If you would like additional visa pages added to your current passport before the December 31 deadline, please apply as soon as possible to avoid the December rush. You are required to complete and submit form DS-4085 (available online at: <http://travel.state.gov/content/passports/en/passports/forms.html> and at the U.S. Embassy). Note that the cost for visa pages added to a regular passport is \$82.00 cash, or the equivalent amount of 246 SSPs (exact change is preferred, but not mandatory). We request that you contact us by email – [ACSJUBA@state.gov](mailto:ACSJUBA@state.gov) – to set up an appointment to submit your application for additional visa pages.

If you are no longer in South Sudan, please contact us by sending an email to: [ACSJUBA@state.gov](mailto:ACSJUBA@state.gov) and we will close your registration. If you know U.S. citizens in South Sudan who are not registered with the U.S. Embassy in Juba, please encourage them to register by email, in person at the U.S. Embassy, or online by visiting the Smart Traveler Enrollment Program (STEP) website at: <https://step.state.gov/step/>
